Retirement of the Small Mine Permit, The Oil Mining Company, Holliday Block Mine, S/047/0118, Uintah County, Utah

Dear Mr. Rankine:

The Division of Oil, Gas and Mining accepts the Groundwater Discharge Permit as Appendix E to your NOI. Although it was not necessary to include, we are also in receipt of the Groundwater Discharge Permit Application that we will add to our records.

The Division will also retire the proposed small mine permit S/47/0118 as there was never a bond posted for this permit. Please contact April Abate at 801-538-5214 or me at 801-538-5261 if you have questions.

Sincerely,

Paul Baker  
Minerals Program Manager
